TECHNICAL DRAWINGS & FITTING	140-160
------------------------------------	---------

Turkas has been developing and producing all kind of gas springs, block-lifts for several applications with our 25 years experience.

We produce every special kind of gas spring of components according our customers requirements.

Turkas has got knowledge, experience and management principles to establish necessary international standards for its sector in future.

Turkas has got quality system to fulfill needs in accordance with international standards as ISO 9001:2000 and ISO TS16949.

ATTENTION / *Tube must be upwards all time !*

ATTENTION / *Can be applied in both direction !*
